

If your total noncash contributions are in excess of \$500 in 2007, please complete the information below for each donee using the following guidelines:

- \* If you contributed a motor vehicle, boat, or airplane with a claimed value of more than \$500, attach Form 1099-C or other written acknowledgement received from the donee organization.
- \* A deduction for contributions of clothing or other household items that are not in good used condition or better is not allowed. In addition, a deduction for any item with minimal monetary value may be denied. However, these rules do not apply to any contribution of a single item for which a deduction of more than \$500 is claimed, if a qualified appraisal for the donated property is provided.
